## 2021 Junior Bat Restrictions

For the Winter 2021 Season, DBA is adopting the VSBL rules around junior bat regulations. Rule 96, below, as taken from the VSBL 2020/21 Playing conditions outlines what is acceptable.

### **96) Baseball Bats**

a) All baseball bats must conform with Rule of Baseball 3.02.

i) For all Under 18 VSBL State League competitions - wood, wood composite and wood laminate baseball bats may only be used.

ii) For all other VSBL State League and VSBL Metro League competitions, including all Qualifying Rounds - wood, wood composite, wood laminate and aluminium baseball bats may be used.

**Under 18 – wood, wood composite and wood laminate baseball bats may only be used.**

**Under 12,14 & 16 - wood, wood composite, wood laminate and aluminium baseball bats may be used.**

State Winter Champs and all other areas of representation may require further restrictions subject to the individual competition playing conditions.
